

COVID-19 SAFE WORK PROTOCOL

Tin Craft would like to thank you for working with us during our new COVID-19 safety protocol. Safety for all is our main concern, which is why we are taking the following steps on jobs inside private homes. These are the steps you can expect as a client of Tin Craft:

1: CLIENT PRE-SCREENING

- Prior to accepting work, we ask you a series of questions.
- You are advised of our Physical Distancing Requirements.

2: SANITATION CHECKLIST

- Prior to starting work, all work surfaces are cleaned and disinfected.

3: STAFF ENTER AND PERFORM WORK

- Our staff may don PPE before entering the residence.
- Physical distancing, hand washing, and proper cough and sneeze etiquette are followed.

4: STAFF SANITIZES WHEN WORK IS COMPLETED

- Work surfaces are disinfected.
- Staff sanitizes any tools that were used and disposes of gloves.
- All potentially contaminated clothing is placed in a sealed bag to be sanitized.
